Quality

Quality Assurance – It is the policy of Sharjah Cold Store to operate under the principles of **HACCP (Hazard Analysis Critical Control Point)** ensure safety of food handling Which is free from physical, chemical and microbiological Contaminants, thereby reducing the risk of food poisoning or food borne infection.

As a front runner in the industry we strives to fulfill local and international food safety guidelines by adopting innovative and updated workable techniques. We ensure consistency of hygiene standards and food safety by properly laying the foundation of prerequisite programs which covers good hygiene practices.

In order to achieve the hygiene standards we are guided by Codex Alimentarius Guidelines, Sharjah Municipality-Food Control Section Guidelines and HACCP Guidance for Retail Premises 2011.

The Objectives Includes:

- Improve hygiene standard of handling food
- Reduce losses while handling food
- Increase customer satisfaction
- Impart training to all food handles
